Re: Course application to Finance (M.Sc.)

Congratulations! I am pleased to confirm that you have been accepted for admission to the above course as a full-time, non EU fee paying student, for the academic year 2015/16. The duration of the course is 1 year(s). Your course co-ordinator will be Ms. Elaine Sc.

Trinity College Dublin is proud to be one of the world's leading Universities. We are confident that you will bring a rich and rewarding contribution to the student body and university community here and we look forward to welcoming you on-campus this autumn. You will find useful information in relation to accommodation, fees, visa and course registration at all our Coming to Trinity section of our website www.tcd.ie/study/coming-to-trinity.

I note that you have formally accepted this place.

Please note, if you are a non EU, visa required applicant, you may apply for your visa to study in Ireland with your offer (conditional or firm) of admission. Please also note, that non EU applicants whether they are visa required or not, are typically not granted permission to remain in Ireland to pursue a part-time course of studies unless they are in possession of EU residency rights or have an alternative immigration status beyond that of a student. Student status for non EU applicants is typically reserved for those pursuing a full-time course of studies.

All non EU students are required to have health insurance prior to College registration, and maintain cover for the period of their studies. During the on-line registration process non EU students must provide the name of their Health Insurance Provider and current Health Insurance policy number. The collection of the Health Insurance number is for validation purposes only.

Postgraduate orientation will take place during the week beginning September 14, 2015. You will register online via the website my.tcd.ie. Registration will open from August and you will be invited to register for your programme. Once registered, your registration will be effective from September, 1, 2015.
