Dear Sir/Madam,

I am very pleased to tell you that it has been decided to offer you an International place in the Computer Science programme, commencing in September 2013.

Stage 1 will give you an insight into life in Computer Science. Here you will be shown a diverse range of subjects and will be given experience of programming using the C language. Modules such as *Algorithmic Problem Solving* will give you an insight into algorithms, & core concepts in programming. *Software Engineering Project 1* will give you the ability to put what you will learn into practice in group setting. *Computer Science in Practice* will then give you an insight into the different aspects of Computer Science, with a different lecture giving a talk each week in their specific work or research, in addition to visits to different computer labs at Google, IBM and Microsoft, where European headquarters are located in Dublin.

To accept this offer please follow the instructions on the following page. In the interest of other applicants, if you do not wish to pursue this offer, please decline your offer via the online application system. Please let us know if we can assist you with your decision.

The UCD International website (www.ucd.ie/international/) is an excellent resource for international students and if you have any additional questions, including any accommodation related queries, please contact Mrs Carl Lusty, International Student Advisor (email: carl.lusty@ucd.ie; tel: +353 1 716 1608/1602).

I would like to take this opportunity to congratulate you and wish you every success in your future studies.

Yours sincerely,

Dr. Clive O'Connell
Director of Admissions & Enrolment Planning
